PRESS RELEASE Riverhead IDA announces public forum with representatives from Calverton Aviation & Technology Innovation Hub.

The Riverhead Industrial Development Agency has requested the representatives from Calverton Aviation & Technology, LLC to present their current plans for its proposed development on a portion of the property acquired within the Enterprise Park in Calverton (EPCAL) during a public forum on **Wednesday, May 3rd, 2023**. This informal forum is intended to provide an opportunity for the CAT team to update Riverhead residents on their vision for the proposed project at EPCAL while the agency continues its due diligence on the IDA application made by the Town of Riverhead CDA and CAT.

The forum will be held in the Ballroom at **Hotel Indigo** at 1830 West Main Street, Riverhead from **6:30 to 8pm** and is open to the public. This will not be the Agency's public hearing (which will be held at a later date), however, meaningful conversation will be encouraged. Therefore, time will be provided for a question and answer period.

No pre-registration is required.

Speakers:

Attorneys representing the project from Farrell Fritz, Christopher Kent and Peter Curry

Also attending: CAT Representatives: Justin Ghermezian and Meg Blakey

Professional Consultants: Alex Badalamenti (architect), Chris Robinson, P.E., Joe Petrocelli, Contractor
